AI Marketing Operations / Automation Consultant

Porto, Portugal | signeputna@gmail.com | +351 912 554 402

Portfolio: signe-hub.github.io/Portfolio-light

PROFESSIONAL PROFILE

Digital strategist and AI workflow practitioner combining multi-brand marketing operations with hands-on digital solution delivery. Managed eight luxury brands at The Italian Sea Group and led marketing and communications at Pulina Exclusive Interiors. Since 2026, works independently on digital strategy, AI-enhanced content systems and marketing workflows, connecting business requirements, platform choices and day-to-day execution.

CORE SKILLS

AI workflow design | Marketing operations | Requirements scoping | Prompt engineering | Content systems and automation | Platform integration | Campaign monitoring | Budget optimisation | Stakeholder management | Documentation and client training

PROFESSIONAL EXPERIENCE

Freelance Digital Strategist & AI Systems Architect

Independent | 2026 - Present | Porto, Portugal

- Design and deploy AI-enhanced digital stacks for premium brand clients, combining AI tools, automation workflows and platform integrations for content and marketing operations.
- Manage delivery from requirements scoping and system design through tool selection, implementation and ongoing performance monitoring.
- Build content pipelines using GhostwriterOS, Synthesise.ai and Claude API workflows, maintaining brand consistency across publishing channels.
- Work with Claude Code, Codex / Hermes, WordPress, Lovable and Supabase as part of recent digital strategy and AI workflow practice.
- Advise on prompt engineering, SEO systems and email marketing with HubSpot and Brevo; provide documentation and client training on system use.

Marketing & Communications Manager

Pulina Exclusive Interiors | Feb 2025 - Feb 2026 | Pisa, Italy

- Designed AI-enhanced content workflows across Instagram, Facebook, LinkedIn, Pinterest and YouTube, connecting creative production with channel delivery.
- Managed Meta Ads objectives, targeting and performance analysis for lead generation; used AI-assisted market research to inform creative workflows.
- Coordinated shipyards, studios and international partners; created brand voice documentation, channel guidelines and operational manuals.

PROFESSIONAL EXPERIENCE - CONTINUED

Digital Media Manager

The Italian Sea Group | Jan 2021 - Feb 2025 | Carrara, Italy

- Managed digital operations for eight luxury brands: The Italian Sea Group corporate brand, Admiral Yachts, Tecnomar Yachts, Perini Navi, Picchiotti Yachts, NCA Refit, Tecnomar for Lamborghini 63 and Village Gourmet Restaurant.
- Coordinated content delivery, external vendors and platform providers across a multi-brand digital ecosystem.
- Owned marketing technology budgets and digital ad spend optimisation; maintained performance reporting dashboards and shared outcomes with senior leadership.
- Led creator, UGC and influencer coordination for Tecnomar for Lamborghini 63 across automotive, yachting and luxury lifestyle channels.
- Managed international brand activations and boat show activities, including logistics, stakeholder alignment and live digital coverage.

Guest Relations Manager

Marriott Resort | Jan 2019 - Nov 2020 | Sharm el-Sheikh, Egypt

- Led guest satisfaction operations and coordinated teams at a luxury five-star resort; managed promotional communications and special packages for international guests.
