SIGNE PUTNA

AI Search / GEO Consultant

Porto, Portugal | signeputna@gmail.com | +351 912 554 402

Portfolio: signe-hub.github.io/Portfolio-light

PROFESSIONAL PROFILE

Digital strategist with experience managing eight luxury brands at The Italian Sea Group, followed by marketing and communications leadership at Pulina Exclusive Interiors. Now an independent consultant combining brand positioning, content strategy, SEO systems and AI-assisted workflows. Brings multi-brand audience expertise, hands-on content operations and performance analysis to AI search and Generative Engine Optimization (GEO) consulting.

CORE SKILLS

Brand positioning and audience segmentation | Content strategy and architecture | SEO / SEM | AI-assisted research and content workflows | Multi-channel distribution | Google Analytics and Google Search Console | KPI monitoring and reporting | Stakeholder coordination

PROFESSIONAL EXPERIENCE

Freelance Digital Strategist & AI Systems Architect

Independent | 2026 - Present | Porto, Portugal

- Design digital strategies and AI-enhanced content and marketing systems for premium brands, from requirements scoping and tool selection through implementation and monitoring.
- Consult on SEO systems, AI integration, prompt engineering, workflow automation and email marketing using HubSpot and Brevo.
- Build content workflows using Claude AI, Claude API workflows, GhostwriterOS and Synthesise.ai, with attention to brand consistency across channels.
- Use recent tools including Claude Code, Codex / Hermes, WordPress, Google Search Console, Lovable and Supabase in digital strategy and AI workflow work.

Marketing & Communications Manager

Pulina Exclusive Interiors | Feb 2025 - Feb 2026 | Pisa, Italy

- Defined brand voice and positioning for luxury superyacht interiors and bespoke residences targeting ultra-high-net-worth audiences.
- Developed AI-enhanced content workflows across Instagram, Facebook, LinkedIn, Pinterest and YouTube; produced brand voice documentation and channel guidelines.
- Managed Meta Ads campaigns for lead generation, monitoring performance and refining targeting and creative direction.
- Coordinated communication across shipyards, design studios and international partners; used AI tools for market trend analysis.

PROFESSIONAL EXPERIENCE - CONTINUED

Digital Media Manager

The Italian Sea Group | Jan 2021 - Feb 2025 | Carrara, Italy

- Managed the digital ecosystem for eight luxury brands: The Italian Sea Group corporate brand, Admiral Yachts, Tecnomar Yachts, Perini Navi, Picchiotti Yachts, NCA Refit, Tecnomar for Lamborghini 63 and Village Gourmet Restaurant.
- Planned and implemented digital strategy across distinct brand identities and audiences, coordinating external vendors and platform providers.
- Led digital amplification for Tecnomar for Lamborghini 63 through content creators, user-generated content (UGC), influencer distribution and cross-platform storytelling.
- Owned marketing technology budgets and digital ad spend optimisation; monitored KPIs, maintained reporting dashboards and reported to senior leadership.
- Organised international boat show activities and luxury brand activations, including stakeholder coordination and live digital coverage.

Guest Relations Manager

Marriott Resort | Jan 2019 - Nov 2020 | Sharm el-Sheikh, Egypt

- Led guest satisfaction operations and cross-functional coordination at a luxury five-star resort; supported promotional communications for international guests.

SELECTED PROJECT

Tecnomar for Lamborghini 63 | The Italian Sea Group x Automobili Lamborghini

Coordinated creator networks, influencer distribution, UGC and content across automotive, superyacht and luxury lifestyle channels. Combined brand storytelling with performance monitoring to support a collaboration spanning different audience communities.
